

# Welcome to Preschool at Mary Queen of Peace Catholic School

Our Faithful Beginnings Preschool is a ministry of Mary Queen of Peace Parish. Our program offers hand-on learning classrooms for children ages 3, 4 and 5. Our highly qualified, impassioned staff provide a nurturing and stimulating environment that fosters each child's physical, social, emotional, spiritual, cultural, and intellectual development. We incorporate play-based learning into our classrooms every day through large and small muscle activities.

What do we do all day?

- Explorative learning through Centers: math, art, science, sensory, library, blocks, dramatic play, music - all rotated monthly to keep our learners engaged in exciting educational activities
- Learning through Investigation: asking questions, exploring through hands-on activities, visits from experts on subjects - teaching children to learn and how to ask to discover, rather than how to repeat, building a foundation for STEM learning
- Large and small group instruction utilizing Creative Curriculum and I Am Special religion curriculum to be sure your child is learning and growing in their faith and academics every day
- Attend weekly school Mass & Vespers to encourage children to grow closer to Jesus - families are always welcome to join us for Mass & Vespers
