

# Welcome to Kindergarten at Mary Queen of Peace Catholic School

Our Kindergarten class is so full of life! We thank God in our prayers everyday for the blessings He has given us. Teachers, parents, and students love Kindergarten at MQP!

Smaller class size allows us to focus in-depth on all core subjects, especially math and language arts, and to utilize differentiated learning to meet each child at their level. Your child will receive lots of hands-on learning opportunities!

Believe and Read is coming to Mary Queen of Peace Catholic School!

Powered by the Catholic Schools Center of Excellence and in partnership with Groves Academy, a national leader in literacy instruction, Believe and Read is a three-year initiative that brings Groves Academy's methodology to MQP through outstanding professional development and teacher coaching. This program allows us to ensure every student reads at or above grade level.

Our day is packed with learning, play, exploration, and fun!
